Maj. Gen. Sir Charles V. F. Townshend, hero of Kut, has just come over from England to pass a five months' furlough seeing the U. S. "I am so much interested in America and our blood cousins that if the United States should have a war tomorrow I would offer my sword and myself to her," said General Townshend on his arrival in New York.

BLAME FRENCH AND BRITISH FOR MASSACRES

(INTERNATIONAL NEWS SERVICE) NEW YORK, April 26.—Political intrigues involving the French and British are mainly responsible for the massacres of Armenians and Jews in Turkey, according to returned relief workers of the near east relief commission.

"The French are playing the Armenians off against the Turks and the

British are playing the Armenians off against the French," declared Mithran S. Hazzmain, of Waukesha, Wis., who has just arrived from Aleppo. "The French are deliberately setting the Turks against the Armenians and at the same time they are arming the Armenians against the French with the result that it is the Jews and Armenians who are massacred."

"There are twelve British warships in the harbor at Constantinople, but the Turks do not pay any more attention to them than if they were in the North Sea," said Lincoln D. Kelsey, of Springfield, Mass., who returned from Marsovan, Turkey. He was accompanied by his wife.

"When we went into the interior of Turkey we were treated as conquerors," declared Kelsey. "The Turks ex-

pected punishment for their part in the war, but when none was forthcoming they began getting bold. A year ago when the near East relief learned that Armenian girls were being forcibly detained in Turkish harems, it was only necessary to request the local Turkish government to produce them and they were forthcoming. Just before I left Turkey I went to Sile, 33 miles inland, in the heart of the Sivas district, where Mustapha Kemal Pasha is strongest, to try to rescue about 100 Armenian girls, who had been picked out by the Turks for their harems. After a week of strenuous efforts I managed to get forty of them, all under 17. The Turks absolutely refused to give up any of the Armenian women over that age. I spoke to officers of the allied naval forces at Constantinople about it, but they just laughed. The Turks in the interior do not care what happens to Constantinople."

U. S. NOT RESPONSIBLE FOR WORLD'S DEBTS

(INTERNATIONAL NEWS SERVICE) WASHINGTON, April 26.—The U. S. cannot be made a party to the pooling of the debts of the world, which will be proposed at a meeting of the league nations next month, Senator Lodge, of Mass., declared in the senate this afternoon. "This question is a serious one," Senator Lodge continued, "but our failure to enter the league makes it impossible for us to become a party to any such proposition."

Debts of the world would be borne by the U. S. and Great Britain if a proposal to pool the debts of the world were adopted, Senator Lodge said.

MAN HAS MIRACULOUS ESCAPE

"I was told by our family physician that I could not live without an operation, as my liver and gall sack were in such a condition. I set the day to go to the hospital, but then I saw the advertisement of May's Wonderful Remedy. Since taking it I am feeling like a two-year old. I am sure I never could have survived an operation." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. ANNOUNCING

The placing on the market, NEXT SATURDAY, MAY 1st, of a fine old farm of forty acres, which we have subdivided into BIG GARDEN SITES, 100 by 135, and which we have named

"HARTMAN'S GARDENS"

Located in Hessville—most of it right on Kennedy Avenue, and only TWO BLOCKS TO THE GARY & INTERURBAN STREET CAR LINE—as close to Hammond as it is to East Chicago.

An amply restricted home site community, where it's quiet and restful—away from the grime and smoke of the big city.

This pretty piece of property is all high and dry. You can supply your own table with better and fresher vegetables, for the soil is rich and fertile.

Garden sites only two blocks from a street car line are getting mighty scarce in this region. Remember that an all night street car service is maintained between Hammond and Hessville, and it's only a ten minute ride.

These sites will be sold quickly—present indications foretell this. But nothing will be sold until SATURDAY, MAY 1st, at 8 A. M.

Great big Garden Sites, 100x135 feet, will be sold as low as \$275.00. This is less than \$70 for a 25-foot lot. And we sell on easy terms.
